Public Utilities Commission of Guam
GCIC Building, Suite 207
Hagantña, Guam 96932

**Re: Tariff Transmittal No. 14
General Exchange Tariff No. 1
Promotional Offering**

GTA Telecom LLC d/b/a GTA ("GTA") files the enclosed original Tariff for the introduction of a new trial promotional offering.

- Section 5, Original Page No(s). 69

GTA introduces CAP Line on a trial and promotional offering for customers who subscribe to Spyder Broadband Services without voice services. As part of its continuing effort to meet customer expectations and insure that the customers who need access to critical services like 911 and have the ability to call GTA for service issues, this new Tariff filing is respectfully being submitted to the Public Utility Commission for consideration.

In accordance with the notice provisions of Section 12106(b) of the Guam Telecom Act, GTA requests that the Commission approve this filing to be effective 30 days hence, on July 7, 2010. An original and one (1) copy of the tariff revisions are enclosed.

Respectfully submitted,

Eric N. Votaw
Vice President, Regulatory

XVII. PROMOTIONAL OFFERINGS

A. General

The Telephone Company may offer a variety of promotional offerings for new or existing services or products for limited periods. These offerings may be designed to attract new customers, retain existing customers, bundle product offerings, stimulate customer usage, and/or increase existing customer awareness of the Telephone Company's services and products.

B. Offerings and Rates

1. CAP Line Service

During the period July 1, 2010, through September 28, 2010 CAP Line Service will be offered to Residential Subscriber in all exchanges where technically available.

With this service a Subscriber who subscribes to Spyder Broadband Services, gets an Emergency line that provides a residential one-party access line with certain limitations. The line will be provisioned to allow for Feature Group B access, allow outgoing E911 and 611 (GTA repair center) abbreviated dialing only with unlimited incoming calls. During this promotional period all applicable nonrecurring rates will be charged and the promotional monthly rate will be \$1.00 per line.
