This matter comes before the Guam Public Utilities Commission (the “PUC”) pursuant to the January 21, 2011 petition filed by Guam Waterworks Authority (“GWA”) requesting, in part, modification of its existing PUC reporting obligations.

The Administrative Law Judge (the “ALJ”), in his February 14, 2011 ALJ Report, recommended that GWA file an itemized list of GWA’s reporting requirements that it considered unnecessary, redundant, or duplicative. On March 2, 2011, GWA submitted to the ALJ a list of its existing PUC reporting obligations. Thereafter, on March 3, 2011, GWA submitted to the ALJ its Proposed Consolidated Reporting Requirements, which seeks to modify its existing reporting requirements, and provides a proposed consolidated list of GWA’s reporting obligations.

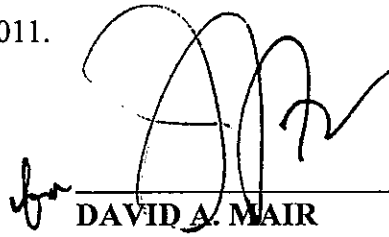

On March 3, 2011, the ALJ transmitted GWA’s March 3, 2011 Proposed Consolidated Reporting Requirements to the Georgetown Consulting Group, Inc. (“GCG”) and asked that it review the document. The ALJ further requested that GCG provide the ALJ with comments, if any, by March 9, 2011. On March 9, 2011, GCG submitted to the ALJ its Comments and Recommendations on GWA’s Proposed Consolidated Reporting Requirements.

In consideration of the number of issues raised by GCG, and to provide GWA with an opportunity to address GCG’s comments, the ALJ hereby **ORDERS** that GWA provide a response to GCG’s March 9, 2011 Comments and Recommendations by **Friday, April 8, 2011**.

ORIGINAL

GWA's response to GCG's Comments and Recommendations may include a revised Proposed Consolidated Reporting Requirements, which takes into account the matters raised by GCG. With respect to matters that GWA finds objectionable, GWA shall explain in its response why the reporting requested by GCG is unnecessary. After GWA files its response to GCG's Comments and Recommendations, the ALJ shall consider scheduling any meetings between GCG and GWA, which will allow GCG and GWA to present their respective positions to the ALJ.

Dated this 15th day of March, 2011.
