**Re: Withdrawal of Tariff Transmittal No. 25
General Exchange Tariff No. 1
Revision of Section III(A) Residence Monthly Local Exchange Access
Line Rate**

Dear Administrative Law Judge Horecky:

GTA withdraws its Tariff Transmittal No. 25 due to new information and clarification from the FCC issued subsequent to the release of FCC Order No. 16-33 (released March 30, 2016), which confirm that the Rate Floor will not be applied to Interstate Common Line Support ("ICLS"). Based upon these clarifications from the FCC, there is no exigent need to modify the Residence Monthly Local Exchange Access Line Rate at this time. GTA regrets any inconvenience to the GPUC.

Sincerely,
