RESOLUTION NO. 19-01

RE: EXTENSION OF CONSULTANT SERVICES AGREEMENTS FOR FY2020

Whereas, on September 27, 2018, the Guam Public Utilities Commission ("PUC") approved contract services agreements for six subject matter consultants in the areas of power, water, port authority, solid waste, and telecommunications, for two Administrative Law Judges, and for one Legal Counsel;

Whereas, the contract term for the first year of each agreement will end on September 30, 2019;

Whereas, the Commission is satisfied with the services rendered by all of its nine Consultants and desires that said Consultants continue to provide services to the PUC for the following fiscal year;

NOW THEREFORE, in due consideration of the above recitals and for good cause shown, the PUC hereby resolves that:

1. The nine contract service agreements referenced above are hereby extended for a period of one year; all existing terms and conditions of the agreements shall remain in effect.
2. The PUC ratifies and affirms all of the nine contract services agreements.
3. The contract service agreements are in the best interests of the PUC, the ratepayers, and the Territory of Guam. Without consultants, PUC could not perform its statutory duties and obligations.

4. With regard to the retention or extension of Consultants, the Commission reaffirms RESOLUTION, ADMINISTRATIVE DOCKET, dated June 24, 2002, and the findings therein, which are incorporated herein by reference.
