GWA Docket No. 11-010

ALJ ORDER

This matter comes before the Guam Public Utilities Commission (the "PUC") pursuant to the Supplemental Order issued by the Commissioners on January 31, 2011, and filed in this Docket. The Supplemental Order requested a legal opinion interpreting Public Law 30-145, which was prompted by testimony provided by the Honorable Vicente Pangelinan ("Senator Pangelinan").

On February 25, 2011, the ALJ issued an Order requesting that GWA file a response addressing the issues raised in Senator Pangelinan's testimony by March 17, 2011. On March 11, 2011, GWA requested from the ALJ more time to file its response, citing that it will be engaged in negotiating settlement, and filing a Stipulated Order, with the U.S. Environmental Protection Agency in U.S. v. Guam Waterworks Authority, Civil Case No. 02-00035, in the District Court of Guam.

In light of the above, the ALJ hereby orders that by **Thursday, April 7, 2011**, GWA shall file a response with the PUC addressing the issues raised in Senator Pangelinan's testimony at the PUC's January 31, 2011 hearing.

Dated this 15th day of March, 2011.
