GTA TELECOM LLC, GENERAL)
EXCHANGE TARIFF NO. 1, TARIFF)
TRANSMITTAL NO. 17)

PUBLIC NOTICE

On May 13, 2011, GTA TELECOM LLC [GTA] filed notice with the Guam Public Utilities Commission [PUC] under 12 GCA §12106 of its intent to implement a new promotional tariff under GTA General Exchange Tariff No. 1. Business customers who bundle their telephone services with GTA's Spyder Broadband, GUdTV Digital TV or GTA's MPulse Wireless products will receive a discount off their vertical calling services. The following Vertical Calling Services would be provided free of charge to such business customers while their services remain bundled: Caller ID, Call Waiting, Call Forwarding, Three Way Calling, Speed Dialing.

PUC will examine the tariff and will welcome public comments regarding whether the tariff should be suspended in whole or part pursuant to 12 GCA §12106[e] pending an investigation concerning the lawfulness thereof.

GTA's Tariff Transmittal No. 17 (Promotional Offering, Vertical Calling Services) is available for public inspection at PUC's office at Suite 207 GCIC Building, Hagatna and on PUC's website at guampuc.com. Public Comments regarding the tariff should be filed with PUC on or before June 20, 2011. A Public Hearing will be conducted on this tariff on June 20, 2011, at Suite 202, GCIC Building, Hagatna, at 6:00 p.m., at which time members of the public or interested parties will be provided with an opportunity to comment on the tariff.

Questions regard this notice may be referred to PUC's administrator Ms. Lou Palomo at 472-1907.
