THE GUAM POWER AUTHORITY'S
SUBMISSION OF ITS LEAC UPDATE
REPORT

15
16
17 The Guam Power Authority hereby submits its LEAC update report in accordance with
18 paragraph 5 of the ordering provisions of the Guam Public Utilities Commission's Order of
19 January 25, 2024, in this matter, which requires GPA to "file updates with the PUC on actual
20 costs to date versus the cost estimates included in its Petition [of December 6, 2023,] in this
21 docket for each of six months for the period from February through July 2024 as soon as such
22 actual costs become available." GPA represents that, as of February 29, 2024, the under-
23 recovery fuel balance is \$32,043,157.00.
