18 The Guam Power Authority hereby submits its LEAC update report in accordance with
19 paragraph 5 of the ordering provisions of the Guam Public Utilities Commission's Order of
20 January 25, 2024, in this matter, which requires GPA to "file updates with the PUC on actual
21 costs to date versus the cost estimates included in its Petition [of December 6, 2023,] in this
22 docket for each of six months for the period from February through July 2024 as soon as such
23 actual costs become available." GPA represents that, as of March 31, 2024, the under-recovery
24 fuel balance is \$29,660,690.80.
