**BEFORE THE GUAM PUBLIC UTILITIES COMMISSION**

**IN THE MATTER OF:**

**GPA DOCKET NO. 25-07**

**GUAM POWER AUTHORITY'S  
STRATEGIC PROGRAM  
MANAGEMENT OFFICE**

**NOTICE OF ERRATA  
(SUPPLEMENT TO GPA PETITION)**

**TO THE PUBLIC UTILITIES COMMISSION AND ALL PARTIES TO THIS ACTION:**

The Guam Power Authority (GPA) hereby provides notice of errata as follows to Section I—  
**Background of the Supplement to GPA Petition re Strategic Program Management Office in  
Response to PUC Counsel Report, filed on February 27, 2025.**

(1) In paragraph 1, page 1, line 31, SPORD stands for Strategic Planning and Operations  
**Research Division.**

(2) Paragraph 7, page 2, lines 10 to 19, should read as follows:

7. The General Manager and Assistant General Manager for Operations (AGMO) who supervised the RWA PMO left GPA and were replaced with new management. The new General Manager, who joined GPA in October 2014 and still occupies that position today, inherited the RWA PMO debacle and worked assiduously with his new management team to rectify the situation. The former SPORD manager who oversaw the Smart Grid project with the B&V PMO currently occupies the position of Assistant General Manager for Engineering and

1 Technical Services (AGMETS) and would be responsible for overseeing any new  
2 PMO.

3 Respectfully submitted this 28th day of March, 2025.
